

REPRESENTING PREMIER MANUFACTURERS SINCE 1985

	<ul style="list-style-type: none"> Comprehensive air purification Bi-Polar Ionization Photo Catalytic Oxidation (PCO) Germicidal UV 	<ul style="list-style-type: none"> Gas phase media Powered filtration Passive filtration
	<ul style="list-style-type: none"> PARAGON Dedicated Outdoor Air System Ships in 3 weeks or less Danfoss variable speed inverter scroll compressor, less noise! Fully modulating HGRH option Integrated controls, User friendly 	<ul style="list-style-type: none"> Easy maintenance/service National Service Network CAS-Link 24/7 Real Time Unit Monitoring standard Standard 5-yr parts 10-yr parts/labor warranty option
	<ul style="list-style-type: none"> Ceiling, floor, roof, mounted Wall hung systems Air or water cooled 	<ul style="list-style-type: none"> SCHOOL AIRE Classroom units
	<ul style="list-style-type: none"> Comprehensive chiller line Water, air-cooled DX units DOAS (RTU) 	<ul style="list-style-type: none"> Air handling units Computer room units Industrial refrigeration
	<ul style="list-style-type: none"> Leading global provider of UV and carbon technologies For surface and airstream disinfection Fight mold, bacteria, viruses and odors Keeps coil free of mold & microbial growth - No cleaning! Extends life of HVAC system Improved Indoor Air Quality 	<ul style="list-style-type: none"> Energy savings & reduced maintenance costs Neutralize odors & toxic VOCs (APCO) Chemical-free disinfection No harmful ozone Commercial and residential
	<ul style="list-style-type: none"> Hospitality, multifamily, senior living and school markets Variable Refrigerant Packaged Heat Pump (VRP) gives VRF performance and single package simplicity at a significantly lower price: Precision inverter technology Best in Class cooling True humidity control with optional Reheat coil 	<ul style="list-style-type: none"> Conditioned fresh air Superior, efficient heating Ductless split systems Industry leading Vertical Packaged Terminal AC units FreshAir PTAC units fully integrated make-up air with ASHRAE 62.1 compliance
	<ul style="list-style-type: none"> Indirect fired and Direct fired units 100% MUA to 100% recirculating units 	<ul style="list-style-type: none"> Air rotation units Electric, steam, hot water heat
	<ul style="list-style-type: none"> Electric duct, cabinet, unit heaters Explosion proof heaters 	<ul style="list-style-type: none"> Controls
	<ul style="list-style-type: none"> Air Handling Units Modular, flexible, configurable 100% thermal break posts/panels Magnelis corrosion coating 10,000 Hr. salt spray rated Stainless CHW coil casing 	<ul style="list-style-type: none"> Triple-sloped stainless steel drain pan and drain pipe Direct drive plenum fans Slide-out chilled water coil Easy maintenance
	<ul style="list-style-type: none"> Building management systems BACnet open digital controls KMC Commander (IoT) KMC Niagara KMDigital proprietary BMS 	<ul style="list-style-type: none"> Remote monitoring, control Industry leading security Actuators and valves Digital, electronic, pneumatic
	<ul style="list-style-type: none"> Oil-free chiller technology leader Water and air-cooled Quiet, low sound & vibration 	<ul style="list-style-type: none"> Energy savings up to 35% Maintenance savings up to 50%
	<ul style="list-style-type: none"> Packaged Cooling and Heating from JCI/York Packaged heat pumps Split systems DOAS 	<ul style="list-style-type: none"> Energy recovery ventilators Evaporator blowers Controls
	<ul style="list-style-type: none"> Fan coils Air handling units 	<ul style="list-style-type: none"> Air curtains

Please contact us at (205) 956-9220, (844) 500-9220, or via email at insidesales@ccsi-se.com. Some of our manufacturers are market specific. Our primary sales market includes Alabama, Eastern Mississippi and NW Florida.

Please visit our website at www.ccsi-se.com for additional information on our products and services.
